- B. Easy Energy is a licensed Gas Marketer located in Surrey, BC, with approximately 19,000 customers and operates as part of the Natural Gas Customer Choice Marketing Program in BC (Customer Choice);
- C. As a condition of its license, Easy Energy is required to abide by the Rules for Gas Marketers, approved by the BCUC October 18, 2013, by Order A-12-13, and Code of Conduct for Gas Marketers (Code of Conduct), approved by the BCUC September 29, 2015, by Order A-12-15. The Code of Conduct requires that Gas Marketers enrol customers on fair and ethical terms;
- D. On September 1, 2022, in accordance with the Customer Choice dispute process, Easy Energy filed with the BCUC its response to the dispute, including the Third-Party Verification (TPV) call conducted with the customer in relation to the Contract (Submission);
- E. TPV is the form of a digitally recorded telephone call, or electronic process, conducted by the Gas Marketer, where, after signing a contract, customers are required to verify certain aspects of their enrolment and contract. TPVs follow a script approved by the BCUC and the scripts are part of the Code of Conduct;
- F. As part of the Customer Choice dispute process, BCUC staff reviewed Easy Energy's Submission and noted inconsistencies between the approved TPV script and the TPV call placed to the customer who filed the dispute; and
- G. The BCUC has reviewed the matter and considers further process is warranted.
